Dear Embrace Church Family,

Thank you so much for faithfully investing in our mission of EMBRACING PEOPLE and EMPOWERING DISCIPLES throughout 2020. Your giving in this past year has been nothing less than inspiring!

Even in the midst of the COVID-19 pandemic we experienced our greatest year of generosity yet, with a total of \$912,893 given between our Ministry Budget, Immeasurably More Building Fund and COVID-19 Relief Fund. Because of this blessing and abundance, we were able to invest just over 18% of our ministry funds back into our community. As the pandemic unfolded, we were able to bless, encourage and meet the practical needs of people hurting and experiencing difficulty around us. And then to our delight we were able to multiply this effort through PROJECT BLESS in December. In addition to this we were able to generously support a number of our strategic mission partners including Esperanza House and Redeeming Grace Ministries.

All of this and so much more happened because of the choice you made to give from the resources God entrusted to you for something so much greater than yourself. For this I am deeply grateful.

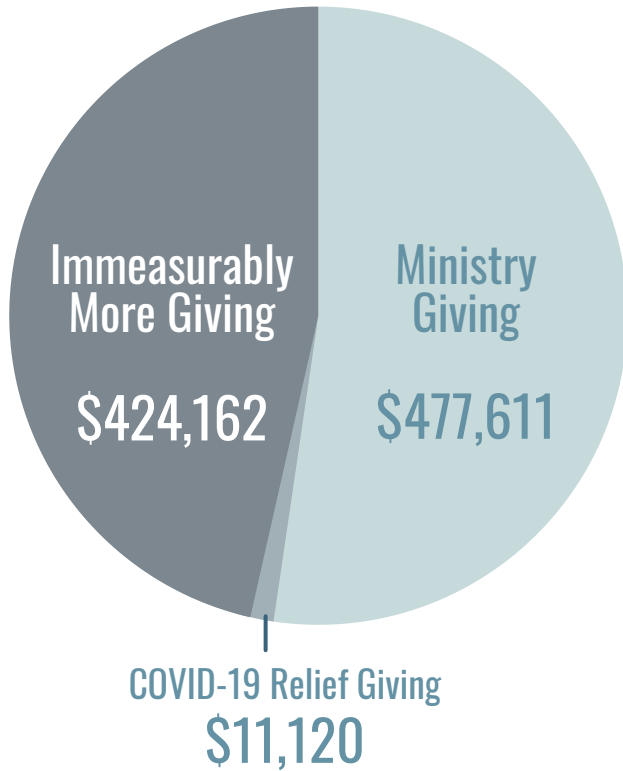

Enclosed you will find our 2020 Year End Report. Also enclosed are your personal 2020 Annual Giving Statement and Immeasurably More Pledge Statement. If you have any questions related to any of this please feel free to contact our Finance Chairperson, Greg Powell at [gsp1213@gmail.com](mailto:gsp1213@gmail.com) or 617-775-4293.
